

Professional 105 Silicone Oil

Silicone spray with good gliding, separating and lubricating properties, good material compatibility and high resistance to high temperatures. Eliminates creaking and cracking noises in the plastic-rubber area and creates lubricated surfaces.

Properties

- ✓ Reduces friction with colourless and grease-free anti-slip protection
- ✓ Creates a water barrier
- ✓ Maintains rubber seals
- ✓ Compatible with all common plastics
- ✓ High temperature resistance
- ✓ Odourless

Application area

- ✓ Prevents the freezing of door seals
- ✓ Maintenance of rubber and plastic parts
- ✓ Stiff window guides
- ✓ For noises between different materials (e.g. metal on rubber or plastic on rubber)

Instructions

Refer to the product information before use. Spray parts to be treated evenly from a distance of 20-30 cm.
