

Fluorinated greenhouse gases VB-830

We hereby confirm that we do not import or export any fluorinated greenhouse gases or products that contain such gases or that require fluorinated greenhouse gases to function.

If we import or export such gases or products, we hereby disclose our registration number.

Registration number: _____ N/A _____

The specifically affected articles and the necessary exception codes will be disclosed by us in writing without being asked to do so in the import or export order.

Without our express notification, we authorize G. Englmayer, Zoll und Consulting GmbH to enter the exception code in the customs declaration on our behalf that the goods are not affected by the bans and restrictions.
